This letter is my personal recommendation for Luis Rodriguez and Life Time Custom Painting. I found Luis and his whole team to be consistently pleasant, tackling all assignments with dedication and a smile.

I hired Life Time Custom Painting to paint almost the entire interior of my house. This included multiple colors on walls, ceilings, doors, baseboards, crown mouldings and window and door casings.

Luis and his team handled everything professionally and impeccably. I actually changed the scope of the project on Luis several times and he and his crew still came through without a hitch. Their attention to detail is exceptional. My home interior is now perfect.

If you are thinking of hiring Life Time Custom Painting please feel free to call me.

Sincerely,
