Dear Luis,

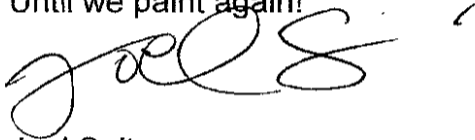

I wanted to put in writing what I've already told you and your crew: You were great! My 1950's home needed a LOT of work just to get it ready to paint and you were extremely diligent about "prepping" it right – fixing holes, caulking, sanding and more. And the final paint job was EXCELLENT.

Also ... your guys were friendly, courteous, showed up on time (or early!) cleaned up every day ... took the trash with them ... and there were NO SPILLS anywhere.

Now that you've finished the OUTSIDE of the house, I'd love for you to come back and spray some cabinets – assuming we can agree on price.

Bottom line? A great, great job! Please feel free to have anyone in Kensington (or anyone else) give me a call. I would be happy to serve as a reference.

Until we paint again!
